

**REMARKS**

Claims 1-8 were allowed. Claim 22 was withdrawn from further consideration as a result of a restriction requirement and the constructive non-election thereof. Claim 22 is cancelled, but Applicants reserve the right to file one or more continuing patent applications for subject not allowed in this application.

Although the Office Action Summary of November 27, 2007 indicates that the drawings filed January 6, 2004 are objected to, it is believed that this is a mistake because the drawings filed on January 6, 2004 were previously approved in the Office Action dated August 3, 2004, and the drawing objection is not discussed in the detailed action.

It is believed that the application is in condition for allowance with claims 1-8 and 21. It is respectfully requested that a Notice of Allowance be issued.

Respectfully Submitted

Dated: November 30, 2007
